Seville, 27 December 2000

Dear Sirs,

We hereby inform you of the sale carried out today by our subsidiary Telvent Desarrollos, S.A. (systems and networks technologies industrial group belonging to Abengoa) of the shareholding that its subsidiary Sociedad Anónima de Instalaciones de Control (Sainco) held in Crisa (Computadoras, Networks and Engineering, S.A.) representing 50% of the company's share capital. The sale price was nine million, two hundred and fifty thousand Euros (9,250,000 Euros). The sale was made to Astrium, S.A.S. (Matra) that prior to today held the remaining fifty percent of the company.

Abengoa places this transaction within its strategy of concentrating Telvent's activities in the development of solutions based on system and network technologies and infrastructures in its target market (energy and environment, transport and telecommunications).

We notify you for the purpose of compliance with the Ministerial Order of 18 January 1991, in the CNMV Circular 9/1997 and corresponding regulations on information of companies issuing exchange traded securities.

Yours faithfully,

/Signed/

/Stamped: Abengoa S.A./
