Appendix B

Social action programs carried out by Abengoa

Area of activity	Country	CSR activity or action undertaken
Engineering and construction	Spain	Donation to the Seminario Metropolitano de Sevilla
Engineering and construction	Spain	Donation to Carmelitas Descalzas
Engineering and construction	Spain	Internal Abengoa magazine
Engineering and construction	Spain	Donation to Hermanas de la Compañía de la Cruz
Engineering and construction	Spain	Padre Pulgar Association
Engineering and construction	Spain	Donation to Hermanitas de los Pobres
Engineering and construction	Spain	La Antilla home for the elderly

Area of activity	Country	CSR activity or action undertaken
Engineering and construction	Spain	Royal Academy of Engineering (Real Academia de Ingeniería)
Engineering and construction	Spain	Donation to Hijas de la Caridad
Engineering and construction	Spain	Donation to the Parishes of San Benito and San Bernardo
Engineering and construction	Hungary	Donation to ASEPAM
Engineering and construction	Spain	Donation to Fundación Universitaria Comilla - ICAI
Engineering and construction	Spain	Donation to Salamanca University
Engineering and construction	Spain	Donation to the Regional Development Institute of Seville University
Engineering and construction	Spain	Special recognition of Abengoa employees for 25 years of loyal service.
Engineering and construction	Spain	Donation to Fundación Consejo de Spain - USA.
Engineering and construction	Spain	Beaterio Stma Trinidad
Engineering and construction	USA	Sponsorship of the "Desalination Industry Action for Good" semina
Engineering and construction	Spain	Sponsorship of the II Conference on Hydraulic Infrastructures
Engineering and construction	Spain	Economic collaboration on the technical seminar "Uncertainties facing irrigation"
Engineering and construction	Hungary	Sponsorship of the prizes handed out at the Global Water Awards 2011
Engineering and construction	Spain	Restoration of the altarpiece at the Hermanas de la Cruz de Utrera convent
Engineering and construction	Spain	Restoration of the roof, coffering and mezzanine of the high and low choir at the Church and Monastery of Carmelo de Utrera
Engineering and construction	Morocco	Subsidizing the sporting activities of an orphanage in Casablanca
Engineering and construction	Argentina	Contributions to and collaboration with Fundación Santa Angela ar Compañía de las Hermanas de la Cruz
Engineering and construction	Mexico	Major maintenance of green areas
Engineering and construction	Mexico	Maintenance of green areas - creation, adjustment and maintenanc of public green areas, involving landscaping work and tree pruning, daily watering of grass, and maintenance and, where necessary, replacement of plants.
Engineering and construction	Mexico	Children's drawing competition: "Forests: Nature at your Service"
Engineering and construction	Mexico	Reforestation - soil conservation program through the annual replanting of trees in two regions of Tabasco state suffering heavy deforestation and unauthorized logging of timber trees, with 4,250 native trees planted to date.
Engineering and construction	Mexico	Reforestation - soil conservation program through the annual planting of trees in wooded areas of the Cruz Blanca natural site (Cuajimalpa borough of Mexico City) suffering heavy deforestation and unauthorized logging of timber trees
Concessions	Brazil	EBE_ Donation to the Santa Rita Orphanage.
Engineering and construction	Uruguay	Children's artistic expression competition
Engineering and construction	Uruguay	Reconditioning work at the rural and community academy of Cerro Pelado
Engineering and construction	Uruguay	Informative talks to provide guidance, training and initial insertion into the labor market
Engineering and construction	Uruguay	Photography competition
Engineering and construction	Uruguay	Internal soccer championship and Pilates classes for Teyma workers
Engineering and construction	Uruguay	Participation in the zero-absenteeism campaign promoted by Unice and Deres
Engineering and construction	Uruguay	Library to improve high school graduation
Engineering and construction	Uruguay	Participation in the zero-absenteeism campaign promoted by Unice and Deres
Engineering and construction	Uruguay	Campaign to prevent heart diseases
Engineering and construction	Uruguay	Children's Day festivities
Engineering and construction	Uruguay	Award of schooling grants
Engineering and construction	Uruguay	Construction of a ramp for the disabled and reconditioning of a mini-soccer court at the Sagrada Familia social and sports club
Engineering and construction	Uruguay	Flu vaccinations

Area of activity	Country	CSR activity or action undertaken
Industrial production	Spain	Contribution to the Three Kings procession
Industrial production	Spain	Contribution to the Three Kings procession
Industrial production	Spain	Contribution to the municipal music workshop
Industrial production	Spain	Access to the Cultural Center and sound equipment
Industrial production	Spain	Sponsorship of the Second International Conference on Lignocellulosic Ethanol
Industrial production	Peru	Donation of three hampers
Industrial production	Peru	Children's Christmas with the Papa León XIII NGO
Industrial production	Peru	Donation of 80 PNP toys
Engineering and construction	France	Paper purchased for an association of disabled people
Engineering and construction	India	Mandal and Singlotti missions
Engineering and construction	Uruguay	Internal soccer championship and Pilates classes for Teyma workers
Engineering and construction	Uruguay	Children's artistic expression competition
Engineering and construction	Uruguay	Award of schooling grants
Engineering and construction	Uruguay	Participation in the zero-absenteeism campaign promoted by Unice and Deres
Engineering and construction	Uruguay	Prevention of motorcycle and bicycle accidents and use of crash helmets
Engineering and construction	Uruguay	Photography competition
Engineering and construction	Uruguay	Library to improve high school graduation
Engineering and construction	Uruguay	Mother's Day festivities
Engineering and construction	Uruguay	Breast cancer prevention campaign (launched on Mother's Day)
Engineering and construction	Uruguay	Partners for a day program
Engineering and construction	Uruguay	Campaign to prevent heart diseases
Engineering and construction	Uruguay	Children's Day festivities
Engineering and construction	Uruguay	Good practices at work campaign
Engineering and construction	Uruguay	Informative talks to provide guidance, training and initial insertion into the labor market
Engineering and construction	Uruguay	Early detection eye testing
Engineering and construction	Spain	Restoration and vending
Engineering and construction	Spain	Shuttle (sustainable mobility)
Engineering and construction	Spain	Nursery
Engineering and construction	Spain	Gymnasium
Industrial production	USA	Sponsorship
Industrial production	France	Financing provided to different sporting associations, aid for the disabled, and cultural and social projects
Industrial production	Spain	Sponsorship
Industrial production	Spain	Sporting activities
Industrial production	USA	External social action carried out over the course of the annual reporting period
Engineering and construction	India	Training
Industrial production	USA	Contribution to the High Desert Hispanic Chamber of Commerce
Industrial production	Germany	Sponsorship
Industrial production	Germany	Donation
Industrial production	France	Sponsorship
